

The IRSD Curriculum Group in Schoology contains district-provided curriculum materials, including student learning maps and common assessments. This repository will be updated throughout the school year by district specialists and writing teams.

### How to Access the IRSD Curriculum Group

1. Go to <http://schoolology.irsd.net>

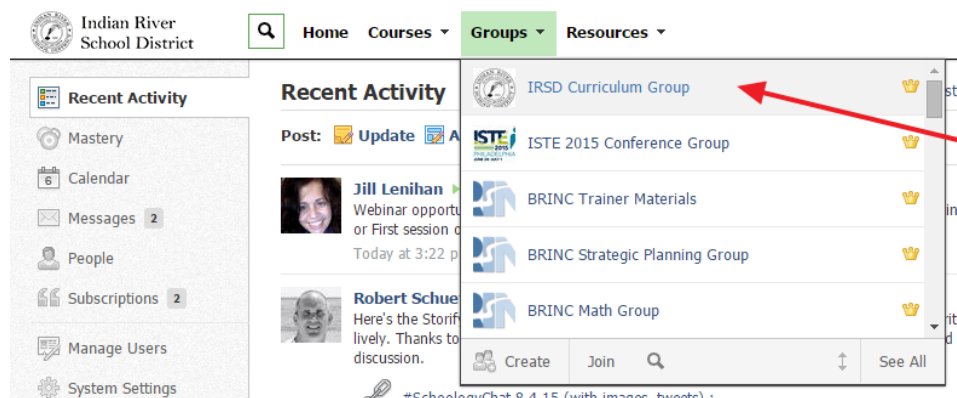

For IRSD teachers:

Email: First part of email address (@irsd.k12.de.us)

PSWD: Matches your password to login to a computer/school email

If you receive an error when trying to log in, you can follow the link to the form to submit a correction to your login credentials.

2. To access the IRSD Curriculum Group, click Groups at the top.
3. Select IRSD Curriculum Group from the list.

If you do not see the IRSD Curriculum Group in this list, please email [michael.league@irsd.k12.de.us](mailto:michael.league@irsd.k12.de.us) to be added to the group.

4. Once on the IRSD Curriculum Group page, select “Resources” from the left-hand side

5. Follow the path by clicking the links to the Resources you need.
6. When you click on an individual document, it will open. You can Download a copy to your computer (Arrow) or print (Circle).
